CLEMENT STANDOUT WITH CONCORDIA

Dave Clement of Ingersoll, Ontario has earned a spot on the Concordia University Varsity Hockey squad. The 6'3 winger is the son of Mr. & Mrs. John Clement of 246 Wellington Street, Ingersoll.

Dave, who accumulated 74 points while playing for the Kingston Rangers in 1979, was sidelined early this season with an ankle injury.

He has fully recovered and has scored 12 points on 6 goals and 6 assists in 14 games to date.

Head coach Paul Arsenault feels that Clement's experience and scoring ability will help the Stingers to their seventh consecutive Quebec Championship.

The Concordia Stingers are presently in second place in the Quebec University Athletic Association with an 8-2-1 record. They trail the Université du Québec à Trois Rivières by one point although Concordia has one game in hand.

The Stingers boast a 13-7-2 overall record including wins over Toronto, and U.S. Division I opponents Vermont, Cornell and Dartmouth. Concordia is the defending Quebec champion, in fact the Stingers have won six consecutive league titles since the merger of Sir George-Loyola in 1975.

The Concordia icemen return to action on January 8th and 9th when they host the Micron Invitational Hockey Tournament, Canada's most prestigious university tournament. This year's field includes the Moncton Blue Eagles, defending Canadian Interuniversity Athletic Union champions; the Guelph Gryphons; Queen's Golden Gaels and the host Concordia Stingers.
